Exchange Students in Summer 2027 is the first group that will be enrolled through the new platform. All information will be available on our website as soon as possible. We will guide the students through the new processes and adapt our information accordingly. The nomination process for partners has not changed.

## 2. Detailed requirements CAMPUS MAINZ

Exchange Students must have completed at least one academic year at the home university and be nominated by the sending partner institution.

### 2.1. Recommended language skills CAMPUS MAINZ

The sending institution, following the agreement with our institution, is responsible for providing support to its nominated candidates so that they can have the recommended language skills at the start of the study or teaching period.

Exchange students do not have to pass a formal language examination in German in order to qualify for enrollment at JGU. To be able to study successfully at JGU, your students must be able to understand the courses taught in German and/or English and take exams in German and/or English as well (depending on the language of instruction).

Please note that not all subjects offer English taught courses.
For these purposes, it would be best if they had an **intermediate (B2) level of German (and/or English) or at least a B1 level with a good final grade**.

Please check the language requirements for each subject for more details about which subjects offer (enough) courses in English or get in touch with the departmental coordinators **before** you nominate the students.
Additionally, please refer to our course catalogue https://jogustine.uni-mainz.de (click "course catalogue") for more information.

All students need to upload a document to proof their language proficiency for German and English. If they don't have an official confirmation, they can also upload the results of a free online placement test. Please refer to our detailed information about the required documents on our website: Apply to be an exchange student at JGU – Studying

For courses taught in English open to Erasmus+ students in **all** departments please check the list available https://www.studium.uni-mainz.de/en/starting-your-studies/starting-your-studies-as-an-international-student/non-degree-seeking-students/gutenberg-international-school-gis/ (see downloads " Overview of non-German courses").

| Type of mobility | Subject area | Language(s) of instruction | Recommended language of instruction level * |

| Student Mobility for Studies | For the details of each subject please refer to the list of language requirements for each subject<br>(Language proficiency – Subjects with courses taught in English) | German<br>Occasionally: English | *In general:*<br>***B1 (with a good final grade)***<br>***Better would be B2*** |
| Student Mobility for Studies | **Medicine/ Dentistry** | German | ***B2*** *or B1 plus Language Course****<br>*(student mobility)*<br><br>***C1*** *for the practical year* |
| Student Mobility for Studies | **German Studies** | German | ***B2******<br>*(if B1, only limited access to courses)* |

** Level according to Common European Framework of Reference for Languages (CEFR).*
*http://europass.cedefop.europa.eu/en/resources/european-language-levels-cefr*

*** Obligatory language course offered by the Medical School*

****The specific language requisite of **B2 for German Studies** is a requirement from the German Department to emphasize that German Studies is a philology (i.e. the study of German linguistics, literature and culture) and not a language learning program. Thus, the students intending to study German Studies must have at least a **high B1** level overall and preferably a B2 level to be able to follow the lessons successfully. But if your nominee's level of language proficiency is a special case, please feel free to contact us for individual clarification. After all, we wish your students to feel comfortable in their courses and to study successfully at JGU. Students of German Studies who come to JGU with B1 level, have only limited access to courses in German Studies.*

### 2.2. Additional requirements (students with disabilities) CAMPUS MAINZ
