SERVICE

# SERVICE LEARNING

plan and carry out **own projects with practical relevance** making use of your knowledge and skills

make a purposeful **contribution to society** through civic engagement

gain relevant **work experience**, learn **new skills** from experts in their field & improve chances for employment

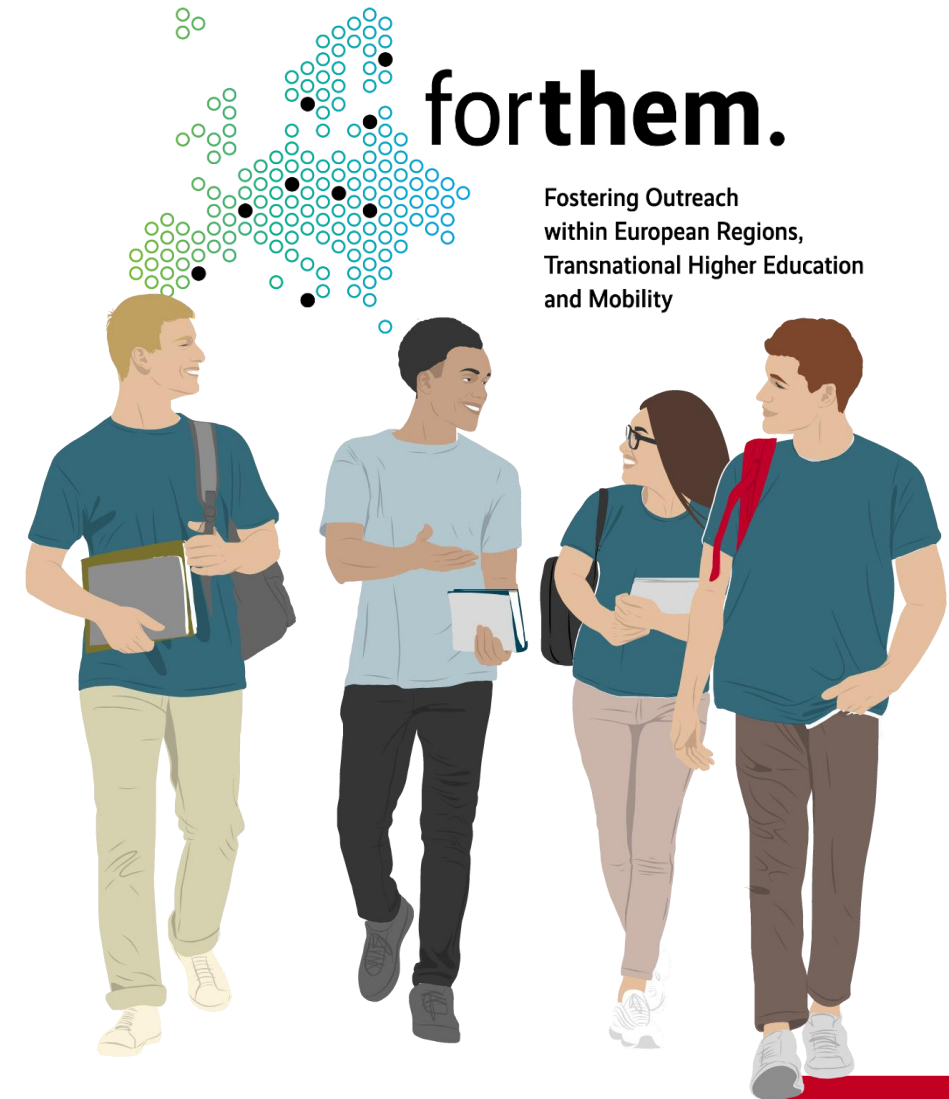

evaluate on your experiences in a **reflection workshop** & receive a **certificate of participation**

Get  
involved  
&  
Make a  
difference

# PROJECT WORK | INTERNATIONAL & INTERDISCIPLINARY

- Work in international teams & improve your communication skills
- Work in interdisciplinary teams & combine and share skills and expertise
- Work on your own project & become a project manager  
(self-organize, set goals, create a concept, distribute tasks, communicate, achieve goals, present results....)
- Be in charge & be responsible
- Spend a week together in Mainz as the highlight of the project (project results, side events & socializing)

Fostering Outreach  
within European Regions,  
Transnational Higher Education  
and Mobility

# PROJECT TIMELINE

# PROJECT WEEK IN MAINZ

## @all students:

- You can get confirmation for your participation (if that helps with attendance of lectures & courses)

## @non-JGU-students:

- You can get financial support from your FORTHEM office (4 nights, 5 days; funding is limited at each university)
- Has to be applied for as soon as possible after confirmation of your participation
- Travel & accomodation needs to be organized by each student on their own
- More information after confirmation of your participation

## Interested?

Join our project &  
apply\* until  
**October, 13<sup>th</sup> 2025**

<https://jgu.to/qqny>

\* Spots in the project are limited & will be distributed between the FORTHEM univerities evenly. You will receive confirmation soon after Oct. 13th.
